

**The Message of Felicitation on the Occasion of Consecration of Dhaka Kum Ran Methodist Church (DCMC), 250/1, 2nd Colony, Mazar Road, Mirpur, Dhaka.**

**Ladies and Gentlemen,**

I wish you all the blessings of God, Who is One, has no partners, not begotter and not begotten. He is the Lone Creator, Lord and the Law Giver.

"From Adam to Muhammad, He is the Sender. In the Chain, Noah, Abraham, Moses, Jesus and Muhammad are the 5-Gems. They were sent for indivisible unity of mankind on divine and ultimate Truth.

Their call was, "Be one, live one and die for one God." Abraham, Moses, Jesus and Muhammad neither came to divide men, in blood, race and religion, nor raise communities in their own names. Rather they came to unite men on the Divine unity of God."

The arch enemy of man from inception, Satan and his human progeny have divided and fragmented men into races, colours, languages, religions and national boundaries, and made One World many worlds, and One Nation into hundreds of nations, to exploit and throw them into vicious circle. They are only 17% of the world population, but consume 80% of the resources, and have turned the 80%, the working forces to produce their commodities.

Now, their cold war is over. They have no family. They live only for gay and glee.

Because of their excessive addict of the passions and its use they are now tired and fatigue, and they are set with some of their leftovers again to mislead and push us to ruin. Taking the advantages of our pecuniary poverty, they give us some financial AID and assistance, but spread STD, HIV and AIDS more in the name of free world, free economy and free society. Their electronic media has entered into our bedrooms to destroy the last fibre and the fabric of our family and the society.

We have slept long. No more. Now it is the time to rise and run to cover up the lapses. The breakers of the family and homes, men and women are already let loose into the bends and the folds of our pride life, the eastern family bond and its fabrics. If we delay further, the ants will lick the last remains, and we will be no where.

The human habitat has incepted from Asia, and more precisely from Indian subcontinent, from Adam to its early progeny. Then the continents were contiguous with narrow streams and rivers. Men from here had walked through North Equator to Europe and then to North America, Canada. From South Equator of Africa to South America, The USA.

By the wish of God, the continents together, became apart and adrift. Sons and daughters of Adam and Eve had lost the links. They spread to continents from their mother continent. Due to climatic changes, their colours of skin changed. But the colour of the blood remained same. Once they had only one colour, but weren't coloured and racial. By the spread, they became colourful but even then not coloured.

But, Satan had made his entry into the shades of colours, and made some men prejudiced of colour and racists. They initiated quarrels, rifts, wars, wars of attrition and annihilation.

God had started sending His chosen Messengers to unite men again to their origin. Noah, Abraham, Moses, Jesus and Muhammad are the mile stone of that process.

All prophets were from this main land. Because, men originated from here, and things cycle to their origin. Middle East is the middle of the land, and the Makkah is the Navel point and the Palestine is the Spring of the Message and Messengers

In Makkah the Last Messenger emerges. He reunited the Faith of the prophets, and reshaped the ideal finally, and raised a colourful contingent from the different people of the peninsula.

The progeny of Ishmael, the first son of the ideal father of the prophets, Abraham are the inhabitants of Hijaz and Najd, and the progeny of Isaac, the second son of Abraham are Palestinian Arabs.

The progeny of Jacob, the son of Isaac, nick named Israel, became racial and cultified into Judaism. Jesus was sent to bring back the gone astray sheeps of the house of Israel back to their origin.

But the miraculous birth of Jesus without a father, made them further divided and deviated.

The ruling class and their followers had aspersed Jesus as illegitimate, while the oppressed of them had termed him the son of God, and then god Himself.

The powerful Jews were infuriated as Jesus preached his message, which naturally went against them, and in favour of the oppressed. They resorted to crucify Jesus.

Thus were the Jews divided into two, the Jew and the Christian

Again Allah had sent His last Messenger Muhammad and reformed the Religion of Abraham, and made it one, a singular Truth.

But the Arabs, the legacy of schism and breach, have deviated from the Abraham - Muhammad standard, and made them yet a third split, the Arabian racist imperialists, at par with Jewish and Christian imperialism.

This "Trio" of Satanic concert of the Jew, the Christian and the Arabs have made the Middle East, the furnace of hell, and most probably the camera of Armagedon of Jewish, Christian and Arab Antichrists.

The European racist and colonialists have colonised the south and the north America and Australia by their most heinous barbarity of cleansing aborigines.

Whereas, these continents, the south and the north America and Australia were the heavens of peace of Asian Indian settlers. What the European Jews and Christians did in those continents, and are doing now? Did Moses or Jesus do that?

Now, the responsibility of the Asians, especially, of Indians are of paramount magnitude and From Afganistan up to Indonesia and Japan, is India or Indo-China, the horizon of "Sun Rise", the drives away the darkness of the nights.

Just like that sun rise, the eastern values, family bonds, religious roots and the integrity must rise now to thwart the onrush of the backlash of the western decay. The western horizon is the horizon of fall, like the eastern horizon is the horizon of rise.

### **The rise of sun from the west is the final sign of the deluge and the Resurrection.**

At this most critical juncture, the world communities of Jew, Christians and so-called Muslims are counting their days for the emergence of Messiah, Resurrected Jesus and Imam Mahdi to crown them factionally.

I am not a Jew, a Christian or a Mohammedan. I am an upright follower of Abraham, like Moses, Jesus and Muhammad, peace be upon them.

None of them were Jew, Christian or Mohamedan. They were the surrendered slaves of Allah, the only God. I only follow them.

Messiah, Jesus and Mahdi shall never emerge to lead the factions, but delete them as mistaken words.

Those who would lead the factions is Dajjal or Antichrist. And who would lead to One God, one humanity and the Singular Religion, is the Messiah, the Jesus and the Mahdi.

The Synagogues, the Churches and the Mosques built by the factionalists or by their contributions, shall never be accepted by God as the Centre of Abraham, Moses, Jesus and Muhammad.

Houses built by the bone, blood, flash and sweat of poor Moses, Jesus and Muhammad only have emerged in the past, and shall in the future emerge, as the Makkah and the Jerusalem of Abraham, Moses, Jesus and Muhammad to bring back the Heaven on the earth.

I call all to that, and bear witness:

**"There is no god, but Allah, the Only God. He is the Lord of Noah, Abraham, Moses, Jesus and Muhammad, and He is my Lord, None else."**

With this submission, I declare my warmest felicitations of the consecration of Dhaka Kum Ran Methodist Church to-day, the 1st July, 1997. May God grant it for the services of His Divine Oneness. Amen.
